## Concrete Pads at Plantation Heritage

Plantation Heritage park now has concrete pads for holes 1-13. Holes 14 through 18 are scheduled for September.

5'x12' pads with heavy brush for added traction

## Improvements at Markham

With the help of great volunteers, hole 13 has been cleaned up, the fairway along 16 and 17 have been widened, and the bushes along 10 and 12 have been trimmed back. The big news is the boardwalk along 8 and the mulch that has been put down along 2 and 3. Not only does the mulch look nice it helps keep the discs from getting gouged on the rocks.

AC, Toona, and Peter the mulch guys!

## BUTTS BELONG ON THE BEACH NOT ON THE COURSE!

Please help keep our courses clean by not throwing trash on the ground and picking up trash when you see it.
